

After A Breakup – Privacy Policy

Gem State Software LLC, creator of 'After A Breakup', provides this privacy policy to inform users of our information storage practices. This policy governs the mobile application 'After A Breakup' and the website <http://afterabreakup.com>.

Mobile Application Policy

Gem State Software LLC does not collect, store, maintain, or distribute any user data from the mobile application known as 'After A Breakup'.

Website Policy

Gem State Software LLC does not collect personally identifiable information from our site visitors. If a user contacts us via e-mail, or through the 'Contact' form of our website, that information will be stored in our mailbox so that we may resolve user issues and provide feedback. Personally identifiable information given through e-mail or the 'Contact' form will not be shared or sold to 3rd parties. Period.

That's it, that was easy! ;)
